### EXAMINER'S AMENDMENT

The following is an examiner's statement of reasons for allowance: The limitation sets forth in Claims 15 and 21, "the electric motor being controlled to operate inefficiently by supplying alternating forward and reverse exciter currents to the electric motor" are not shown or taught by the prior art references. The limitation sets forth in Claim 18, "the electric motor being controlled to operate inefficiently by supplying an amount of current to the electric motor that is at least equal to the saturation current limit of the electric motor" are not shown or taught by the prior art references. The limitation sets forth in Claim 20, "the electric motor being controlled to operate inefficiently by supplying pulse control signals having impressed ripples to the electric motor" are not shown or taught by the prior art references.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to HYDER ALI whose telephone number is (571) 272-4836. The examiner can normally be reached on M-F (8:30-5:00).
